Turn your travel memories or passions into this free standing book. In this workshop, you'll learn how to transform your inspiration into a page, whether it's using a photo, words, applique or non-traditional technique. Each page measures 5"x7" and your book can have as many or as few pages as desired. Bring your ideas and inspiration to start this unique fiber art.

Participants should come with a theme for their book along with ideas for a cover and 3-5 pages. Photos printed on fabric as well as small flat souvenirs are great additions. They will also need scraps of fabric, paper backed fusible web (heat n bond lite, wonder under or Soft Fuse), 1/2 yd Pelltex (heavy duty interfacing available at Joann's) cut into 6"x9" rectangles and scraps of low loft batting cut into 6x9" squares.

NSQG will have:

- a group ironing board and iron to share
