Saturday, March 21, 2020

Learn to sew using alternative textures with Lynn Schmitt author of *The Art of Mixing Textiles In Quilts*. The LOGistics pattern can be made as either a large pillow or table mat. The project mixes wool, silk dupioni, silk matka, wovens, and batiks with traditional and contemporary cottons.

Kit fee: \$49.95 for LOGistics pattern and all the fabric to complete the project top and binding. The back is also included for making a pillow. We have kits in several colorways, each with a mix of contemporary and traditional fabrics, large and small scale prints, reproduction prints, batiks, wools and silks. The chain is created with silk dupioni, the borders are wool, and the binding is cotton. Interfacing, as needed, is included in this class kit.

Supplies needed:

- Sewing machine in good working order
- Ruler and rotary cutter
- A fabric marking pencil (light or dark) that shows up on your fabric of choice
- Thread to match your fabric choice

NSQG will have a group ironing boards and irons to share
