

Christmas Stockings

Pat Flaherty

As she has done for many years, Pat will bring pre-cut sets of stockings to be sewn together at the Winter Picnic. Pat has been a huge supporter of her parish's sister parish in Chicago, and we have been huge supporters of Pat! All you need is your machine and your thread. Pat will have everything pre-cut and ready.

If you have time left after one of your classes, or haven't scheduled anything for part of the day, please consider helping in this charity sewing area in the main room.
