

## Morning Star Quilt

Emily Monroe

Join Emily to learn how to make this STUNNING quilt by designer Cindi McCracken! It finishes at almost 60" square, but don't let that intimidate you, as it is easy piecing with big pieces. A 'Confident Beginner' can make this quilt! You just have to stay organized and mark the pieces so you don't sew the wrong things together. But that's true of everything we make, isn't it? This quilt is made with 3 Hoffman panels, so all the color-coordinating is already done for you.

### **Supply List**

Morning Star pattern by Cindi McCracken

Sewing machine

BSS

Rotary mat, long ruler and good, sharp blade in your cutter

3 Hoffman Fabrics Dream Big and Supernova panels (see pattern for details)
