

Is your stash overrun with novelty prints you bought for ( blank fill in the blank )? Have they outgrown that fabric or no longer like those action figures? You can turn that fabric into pillowcases! Join Sandy's class where she'll show you how EASY it is to make pillowcases with contrasting cuffs. These can be donated or you can start building a ready supply for your gift giving throughout the year.

**Supply List**

Sewing machine

BSS

Rotary mat, long ruler and good, sharp blade in your cutter

Novelty or focus fabric

Contrasting fabric for cuff.
