

## ROCK THAT QUILT BLOCK—Country Crown

### ROYAL ENSEMBLE

#### **YARDAGE and PRE-CUTTING INSTRUCTIONS**

The blocks in this quilt are cut AS YOU GO to allow you to play with color placement. You should have a minimum of (6) different coordinating fabrics that you will be mixing and matching amongst the blocks. The more variety of colors you have, the more interesting your quilt will be.

The constant in the quilt is the background (our cream). The border should be a multi print that ties all the colors together.

Please have the suggested number of pre-cut pieces from the fabrics, so that you can get right to creating the blocks and then you will cut as you go along.

Kit fee: \$17  
Includes foundation paper and re-usable foundation piecing stencil

**BACKGROUND (Cream)** Total of 2-1/2 yards (Can be one fabric or use a variety of creams!)

#### **To get you started, please cut:**

- (16) 3" x 4-1/2" rectangles
- (8) 2-1/2" x 4-1/2" rectangles
- (4) 3-1/2" squares cut in half on the diagonal
- (2) 4-1/2" squares
- (16) 2-1/2" squares.

**BORDER (Stripe)** 7/8 yard (Multi print to bring all the colors together)

**COLORS!** We used (9) different colors cut from "long" quarter yard pieces. You can use 5" strips, your scraps or purchase some long quarter pieces. They are mix and match. Depending on how much you use of a specific fabric in the beginning—you may choose to add in a couple more colors later.
