

### **Sulky® Simply Applique Workshop Student Supply List**

Non-Stick, See-Through Pressing Sheet: June Tailor or comparable. (at least 12" x 18" – a common size is 18" x 18")\*

Sewing machine and supplies and machine manual. (Better machine suggested rather than a mini machine.)

Open-Toe Applique Foot

80/12 Universal or Topstitch Needle\* – Organ Needles or comparable. Optional: 90/14 for metallic threads\*

Several small plastic bags, sandwich size and larger

Tweezers (very important)\*

Padded ironing surface to allow the project to be moved (to accommodate the 12" x 18" or close to that size)

Small irons

Camera to take photos of originals and other optional projects shown

Several empty bobbins

Removable tape

Paper Scissors and sharp small-blade scissors\*

Glue stick

#### **Optional Items:**

Safety pins, Markers: FriXion (iron-away) pen, chalk pencil, Sewer's Aid™ (thread and needle lubricant)\*, Hand Needle (optional)\*

Self-threading needles for burying tails. Most of our samples were done using the "fix" stitch. If you don't have a fix stitch on your machine, a reverse stitch will do but it is very time-consuming in class and the tails get in the way of your next stitching.

**Items with an \* can be found at [www.sulky.com](http://www.sulky.com)**
