SUPPLY LIST

- Rotary Cutter, medium rotary mat, rotary ruler for cutting strips
- 6½" x 6½" (or similar size) rotary ruler for squaring up triangle units

(I like the Omnigrad square ruler that has a 45° line down the middle of the ruler, as shown here.)

- Light gray piecing thread for sewing machine
- ¼" foot (or set up your machine with a ¼" seam allowance)
- Sewing machine in good working order
- Basic sewing supplies you always like to work with (thread clips, seam ripper, pins, etc.)

Fabric Selection

Pick 4 colors, Karen used blue, blue/green, purple and green. Once you have your 4 colors, you will need a light, medium and dark of each color. See below for details about yardages.

Select non-busy fabrics for the best results. Examples would be tone on tone basics or tone on tone batiks.

Be sure fabric is non-busy, such as a tone on tone fabric, like Stonehenge or a gradated fabric such as Karen's Serendipity, Colorfall or Batik Cascade fabrics.

Gradated fabric can be ordered from [Karen's webstore here](#) . Be sure to watch Karen's video about fabric selection before selecting your fabrics. Needed yardages are on the next page.
