

NESTLINGS

by Robin

Fabric Collaboration
Class Supply List

KIT: \$25

Includes: Custom stencils & handouts/patterns.

TO DO BEFORE CLASS: Find an orphan block in your stash, preferably between 8"-12".

IF you do not have an orphan block that contains a **Printed** fabric you Love, then please make an 8" block (Free Pattern Enclosed) using a print that speaks to you. Medium Prints work the best and the more details, the better it will be for inspiration.

Additional Fabric requirements:

- ☐ A FQ of a coordinating (to your block) fabric that reads as solid for borders.
- ☐ 2-3 coordinating FQs for design expansion to borders (prints and/or solids).

Assemble the following list for Class:

SEWING MACHINE with manual and BASIC SEWING SUPPLIES

Plus,

- ☐ Machine needles
- ☐ Rotary Cutter, mat (12" x 18" is fine), ruler 6" x 24" (minimum of 3" x 18")
- ☐ Iron and pressing mat ***IF STATIONS NOT PROVIDED.***
- ☐ Threads to match fabrics for sewing assembly and applique
- ☐ 12 wt. Sulky thread to match fabrics for Embroidery details (hand or machine)
- ☐ Scissors: fabric and paper
- ☐ Pen, pencil (preferably mechanical), white chalk pencil for dark fabrics, and eraser
- ☐ pins
- ☐ glue stick
- ☐ ½ yard of paper-backed fusible web if doing machine applique

IF you own already, please bring a Hera marker and a Sewing Tracing Wheel

SHOOFLY

From solid fabric, Cut 2 squares @ 4" and 4 rectangles @ 2" x 3-1/2".

From print fabric, Cut 2 squares @ 4" and 1 square @ 2".

Place a solid and print fabric square right sides together and draw a diagonal line from corner to corner on wrong side of lighter fabric. Sew 1/4" to either side of drawn line. Cut apart on the drawn line for 2 half-square triangles. Repeat with second solid and print squares. Press to darker fabric and trim both to 3-1/2".

Following diagram above and with a scant 1/4" seam allowance,
Sew a 2" x 3-1/2" solid rectangle between 2 half square triangles as shown above. Press to print. Make 2.
Sew a 2" print square between 2 solid 2" x 3-1/2" rectangles as shown above. Press to print. Make 1.
Assemble the block, pinning at intersections, as shown above. Press toward solid rectangles.
Block measures 8". (Finishes at 7-1/2").
